Each lesson features new activities and attention-getting songs and rhymes you can use in all the places you go together!

On the Road

Preschool (3 – 5 years)

Piano Camp

Pre-K + (4 – 6 years)

There's more to the piano than playing it! Find out what makes a piano work, who invented it, and why it's our most important instrument. We'll watch, listen and play themes from famous musical stories like the *Carnival of Animals* and *Peter and the Wolf*, make a musical instrument or two, roar like a dinosaur and picnic with teddy bears. Fun for complete beginners and current piano students.
